

Our company was founded in a small Serbian town of Crvenka, way back in 1975, and since then we've been making unique products that are deeply connected to generations of our consumers.

When Jaffa factory was opened, 56 workers showed up for work on that first day. Today our company employs 500 people who make favourite brands of consumers around the world with a lot of care and love!

One Jaffa cake is made every second in our factory!

Within our factory, we manufacture a wide range of products among which are soft biscuits, waffles, crackers and cookies.

Our greatest responsibility is to make sure that our products keep that feeling that reminds you of the carefree moments and brings smile back on your face.

Jaffa factory has an area of 12.000 square meters, which is the size of 3 football fields.

Our production capacity is 25.000.000 kg which is the weight of 5.000 African elephants.

Our products are available in more than 25 countries worldwide, from Germany to Russia, from Iraq to USA and Australia...

We consider maintaining the products quality our most important goal!

Every day a team of experts from Jaffa factory in Crvenka makes sure that the highest requirements, needs and expectations of our consumers are met.

Team work, participation, process control and support of all employees are the key imperatives of Jaffa Crvenka when it comes to meeting goals of quality and security policies.

In order to justify the reputation of being a high-quality manufacture, besides standard quality controls and product safety regulations, such as HACCP system and international standards ISO 9001, ISO 222000 and FSSC 22000, we are proud to say that we also possess BRC and IFS certificates, which are the most recognized global standards in our industry.

We are proud owners of the following certificates:

Besides certification carried out by internationally accredited certification bodies, we cooperate with many laboratories from both Serbia and abroad.
